Stylianos Pharmakas

Business Analysis & Process Improvement · Internship from Feb 2027

PROJECT EXPERIENCE

AI Test-Data Generator — Amexio — Sep 2026 – now

GenAI Architect · real client

- Turned the client's needs into a clear scope for a proof of concept.
- Co-designing an AI tool that creates realistic, fully fake test files.

Store Performance Reporting — Plainwear — Feb – Jun 2026

Business Analyst & Scrum Master · real client

- Mapped the reporting process with Plainwear and prioritised requirements.
- Replaced a manual Excel report with a Power BI dashboard for the CFO.

Invoice Automation — ASML scenario — Feb – Jun 2026

Business Analyst · school case study

- Redesigned a paper invoice process, aiming for 85% fully automatic.

IT Service Desk Automation — DAF Trucks — Sep 2025 – Jan 2026

Business Analyst & client contact · real client GRADED EXCELLENT

- Single point of contact with DAF: meetings, email and follow-up.
- Found why the Service Desk was overloaded and agreed KPIs with DAF.
- Designed an AI assistant as first line of support; validated by DAF.
- Built the business case (ROI, break-even) and a KPI factsheet.

EDUCATION

Bachelor ICT — Fontys University of Applied Sciences — Feb 2025 – now

Propedeuse completed; semester 2 graded **Excellent**. Now: Applied GenAI.

Data Science — Eindhoven University of Technology — 2022 – 2024

Not completed — switched to Fontys for a more practical, business focus.

High School Diploma — American Academy Larnaca — Graduated Jun 2021

Private English-language school · Larnaca, Cyprus

WORK EXPERIENCE

Store Associate, Fruit & Vegetables — Jumbo — Apr 2024 – Oct 2026

Kept the department stocked and helped train new colleagues.

National Service — Infantry, Cyprus Army — Jul 2021 – Sep 2022

14 months of service: discipline and teamwork under pressure.
